

# CURRICULUM VITAE

**HARIPRASAD S. TRIVEDI, M.D., D.M.**

1. **RESIDENCE:** Brookfield, Wisconsin
2. **OCCUPATION:** Physician (Nephrologist)  
Specialist in kidney diseases
3. **MARITAL STATUS:** Married since 1988 to Madhuri Trivedi, MD (Gastroenterologist)  
3 sons Aditya (17), Akshaya (16), Mihir (16)
4. **POSTGRADUATE TRAINING AND FELLOWSHIP APPOINTMENTS:**  
07/1992-06/1994 Fellow in Nephrology, University of Missouri-Columbia, Columbia, Mo  
07/1994-06/1996 Resident in Internal Medicine, University of Missouri-Columbia, Columbia, MO
5. **FACULTY APPOINTMENTS:**  
05/1997-12/2003 Assistant Prof of Medicine, University of Missouri-Columbia  
Columbia, MO 65212  
01/2004–10/2004 Associate Professor of Medicine, University of Missouri-Columbia  
Columbia, MO 65212  
07/1996-10/2004 Staff Nephrologist, Harry S. Truman Memorial Veterans' Hospital  
Columbia, MO 65212  
11/2004–06/2011 Associate Professor of Medicine, Medical College of Wisconsin  
Milwaukee WI 53226  
07/2011-present Professor of Medicine, Medical College of Wisconsin  
Milwaukee WI 53226
6. **MEDICAL COLLEGE ADMINISTRATIVE APPOINTMENTS:**  
07/2010-present Director, Dialysis Services, Medical College of Wisconsin
7. **HOSPITAL ADMINISTRATIVE EXPERIENCE:**  
08/1995 Member of Continuum of Care Function Team that helped prepare for JCAHO  
visit at the Harry S. Truman Memorial Veterans Hospital  
07/2004-10/2004 Clinical Executive Board, Harry S. Truman Memorial Veterans' Hospital  
03/2004-10/2004 Chief, Medicine Subspecialty, Harry S. Truman Memorial Veterans' Hospital  
Ad Hoc Served as Acting Chief of Staff (VA Hospital)  
Ad Hoc Served as Acting Chief of Service (VA Hospital) on several occasions.
8. **RESEARCH ADMINISTRATIVE APPOINTMENTS:**  
07/2000-06/2002 Institutional Review Board, University of Missouri-Columbia  
01/2000-12/2003 Research and Development Committee, Harry S. Truman Memorial Veterans  
Hospital
9. **HOSPITAL STAFF PRIVILEGES:**  
07/1996-10/2004 Harry S. Truman Veterans' Hospital, Columbia, MO.

05/1997-10/2004 University Hospital, Columbia, MO.  
11/2004–present Froedtert Memorial Lutheran Hospital, Milwaukee WI

**10. SPECIALTY BOARDS AND CERTIFICATION:**

<u>Board Certified</u>		<u>Issue date</u>	<u>Expiration</u>
ABIM - Nephrology	Sub-specialty	11/1997	12/2017
<u>Licensure:</u>	<u>Number</u>	<u>Issue Date</u>	<u>Expiration</u>
Wisconsin	47430	07/2004	10/2013

**11. AWARDS AND HONORS:**

10/1983 MB; BS (III): Ranked 3rd out of 150 students at Final MBBS examination in Grant Medical College.

01/1985-01/1988 Awarded University Merit Scholarship during training for MD.

03/1986 Internal Medicine: Kohiyar Prize for ranking 1st among the Post graduate students registered for Internal Medicine (MD)

01/1988 Internal Medicine: Ranked 3 out of 70 students at MD (Internal Medicine Boards) at the Bombay University Examination.

10/1994 Internal Medicine: Second author in the Best Abstract award (research category) in the 1994 University of Missouri-Columbia ACP Associates Abstract competition for the abstract titled “Acute effects of Isosorbide-5-Mononitrate in Portal Hypertension”.

07/2011 Received Medical College of Wisconsin Outstanding Faculty Service Award in recognition of service to the Continuing Medical Education Committee.

**12. MEMBERSHIPS IN HONORARY AND PROFESSIONAL SOCIETIES:**

07/2007-present Member, American Society of Nephrology

**13. EDITORSHIPS/EDITORIAL BOARDS/JOURNAL REVIEWS:**

**Journal Editorship:**

10/2010-present Associate Editor, BMC Research Notes  
3/2011-present Associate Editor, Case Reports in Nephrology

**Journal Reviewer:**

Archives of Internal Medicine  
Journal of the American Society of Nephrology  
Clinical Journal of the American Society of Nephrology  
American Journal of Kidney Diseases  
Nephrology Dialysis Transplantation  
Hemodialysis International  
Peritoneal Dialysis International  
Nephron Clinical Practice  
Clinical Nephrology  
Pharmacoeconomics

**14. OTHER PEER REVIEW AND EDUCATIONAL CONTRIBUTIONS:**

09/2003 Member: Career Development Review Committee for review of Health Services Research and Development Service (HSR & D) Career Development Proposals, Department of Veterans’ Affairs, Washington, D. C.

10/1999-04/2001	Reviewer and question writer for American Board of Internal Medicine certification and recertification examination in Internal Medicine and Nephrology.
Ad hoc 12/2010	Reviewer, Grants for Clinical and Translational Science Institute, Medical College of Wisconsin
Ad hoc 09/2011	Reviewer, Letter of Intent Department of Veterans' Affairs Cooperative Studies Program

**15. ADDITIONAL PROFESSIONAL ACCOMPLISHMENTS AND CONTRIBUTIONS:**

- Listed as an expert on the economic aspects of progression of renal failure, Health Economics Resource Center of the Department of Veterans Affairs.  
at: [www.herc.research.med.va.gov/expertlist.asp](http://www.herc.research.med.va.gov/expertlist.asp). 2002
- Paper “Trivedi H, Pang MMH, Campbell A, Saab P. Slowing the progression of chronic renal failure: Economic benefits and patients’ perspectives *Am J Kidney Dis* 2002; 39:721-729” lead to a press release by the *National Kidney Foundation* (NKF) due to the importance of the findings and results posted on the NKF web site.
- Paper “Trivedi H, Daram S, Szabo A, Bartorelli A, Marenzi G. High-dose N-acetylcysteine for the prevention of contrast-induced nephropathy. *Am J Med* 2009; 122: 874.e9-874.e15” got significant accolades, was posted on Reuters Health and ACP Journal club (highly rated by peers in latter).
- Expert Contributor, Wisconsin Diabetes Mellitus Essential Care Guidelines for the Wisconsin Diabetes Prevention and Control Program, Wisconsin Department of Health Services. 2011
- Research work regularly cited in national conferences and board review courses.

**16. RESEARCH GRANTS/AWARDS/CONTRACTS/PROJECTS:**

i) Title: A randomized, open-label comparison of the performance and longevity of a split-tip versus a symmetric tip hemodialysis catheter.

Source: Tyco Healthcare Group

Role: Site Principal Investigator

Dates: 2008 – 2013

The aim of this multi-center study is to compare a conventional split-tip catheter with a symmetric tip catheter in hemodialysis subjects.

ii) Title: Bone mineral parameters in end-stage renal disease.

Source: Genzyme Investigator-initiated grant program

Role: Principal Investigator

Dates: 2010 - 2015

The aim of this project is to study circadian rhythm of novel markers of bone disease in end-stage renal disease subjects, such as FGF-23.

iii) Title: miR-382 in renal fibrosis in human and mouse.

Source: Clinical and Translational Science Institute (Medical College of Wisconsin)

Role: Co-Investigator (M. Liang PI)

Dates: 2010-2012

The aim of this project is to study the role of microRNA (miR-382) in fibrosis in human and mouse kidney.

iv) Title: Genetic & Physiological Basis of Salt-induced Hypertension

Source: NIH/NHLBI

Role: Co-investigator (A.W. Cowley, Jr. PI)

Dates: 2011-2016

The shared vision of this Program Project Grant is to advance the understanding of the regulation of the complex cardiovascular phenotypes associated with the disease of hypertension from the gene and molecular level to the whole body.

**17. INVITED LECTURES/WORKSHOPS/PRESENTATIONS:**

**National**

1. “Contrast Nephropathy” Medicine Grand Rounds, Medical College of Georgia, Augusta, GA, 10/2003
2. “Chronic Kidney Disease and Cardiovascular Disease” St. Louis University and John Cochran VA Medical Center, St. Louis, MO, 10/2003
3. “Cardiovascular Disease and Chronic Kidney Disease” Renal Grand Rounds –Medical College of Virginia and Virginia Commonwealth University, Richmond, VA, 09/2003
4. “Contrast Nephropathy” Texas Tech University, Odessa Campus, Odessa, TX, 07/2003
5. “What Are the Real Risks of Radiocontrast?” National Kidney Foundation, Spring Meeting, Las Vegas, NV, 04/2011
6. “Atrial Fibrillation: Rethinking Digoxin and Warfarin in Hemodialysis Patients” American Society of Nephrology Annual Meeting, San Francisco, CA, 11/2011

**Local**

“Outcomes in patients with chronic kidney disease referred late to nephrologists”, Medical Grand Rounds, Medical College of Wisconsin. 03/2007

**18. COMMITTEE SERVICE:**

**Hospital Committees:**

- |                 |  |
|-----------------|--|
| 01/2000-10/2004 | Medical Records Committee, Harry S. Truman Memorial Veterans’ Hospital, Columbia, MO                 |
| 01/2002-12/2002 | Chair, Utilization Management Committee, Harry S. Truman Memorial Veterans’ Hospital, Columbia, MO   |
| 07/2004-10/2004 | Chair, Pharmacy and Therapeutics Committee, Harry S. Truman Memorial Veterans’ Hospital Columbia, MO |

**Medical College Committees**

- |                 |   |
|-----------------|---|
| 06/2009-present | Member, CME Committee, Medical College of Wisconsin |
| 07/2011-6/2012  | Chair, CME Committee, Medical College of Wisconsin  |

**19. MEDICAL COLLEGE TEACHING ACTIVITIES:**

**Medical Student Education**

- |                 |  |
|-----------------|--|
| 02/2011-03/2011 | Activity Information: Preceptor for Clinical Examination and Reasoning (CER) course -second-year medical students (M2) |
|-----------------|--|

**Resident Education**

- |                   |  |
|-------------------|--|
| 11/2004 – present | Activity Information: Ongoing education during clinical rounds, lectures, case conferences |
|-------------------|--|

### **Postdoctoral Fellow Education**

06/2005 – present      Activity Information: Preceptor of ACGME-required fellow journal club teaching clinical research methods, pertinent statistical interpretation, and critical review of articles published in lead journal

## **20. MCW STUDENTS, FACULTY. RESIDENTS AND CLINICAL/RESEARCH FELLOWS MENTORED:**

### **Clinical/Research Fellows**

09/2008-03/2010      Fellow: Rama Nadella

Capacity                      Research Project mentor

“Nadella R, Szabo A, Trivedi H. Hydration with sodium bicarbonate for the prevention of contrast-induced nephropathy. Annual meeting of the *American Society of Nephrology* 2009, San Diego, CA.” Published in abstract form, *J Am Soc Nephrol* 2009; 20: 599A.

### **Residents**

07/2005-06/2006      Resident: Ruchika Batwara

Capacity                      Research mentor.

“Batwara R, Raman L, Benjamin H, Trivedi H. Lack of nephrotoxicity of gadodiamide in unselected hospitalized patients. Annual meeting of the *American Society of Nephrology* 2006, San Diego, CA” published in abstract form, *J Am Soc Nephrol* 2006; 17: 770A.

07/2006-06/2007      Resident: Niddhi Aggarwal

Capacity                      Research mentor.

“Aggarwal N, Trivedi H. Health care issues in end-stage renal disease and patients’ knowledge of medical therapy. Annual meeting of the *American Society of Nephrology* 2007, San Francisco, CA” published in abstract form, *J Am Soc Nephrol* 2007; 18: 299A.
